LOVE OF PLACE

One of the most common questions the staff and Board of the Community Foundation receives is, “What is a community foundation?”

It is never easy to sum up the breadth and scope of our work. We hope this 2015 Report to the Community offers a helpful summary.

There is one common denominator shared by every person who supports the Community Foundation—it is love of place.

It is love of the Loudoun and Fauquier community that connects us to the people we care about. It is love of the impressive countryside that renews us. It is love of the organizations improving our lives.

By being a supporter of our core mission—building local, everlasting endowment as well as current community philanthropy—our donors find a way to tangibly express a love of place. What they give to the Community Foundation, they give to their communities, forever.

Our enduring vision is the great beauty of the Community Foundation. What we collectively build today, will be here long after we all are gone. It is the concept of perpetuity, of being “forever,” that makes a community foundation a unique asset within its footprint. Our children—and children of our children—will continue to benefit from what has been generously given over this past year and since our founding in 1999.

We hope you’ll continue to join us by building upon our love of our home. The places and people of Loudoun and Northern Fauquier can forever benefit from your vision of our wonderful and unique community. After all, “there’s no place like home.”

You choose from a variety of fund designs to match your grantmaking vision. By creating a fund in your Community Foundation, you can take advantage of all we have to offer:

To begin, you invest in the causes that matter most to you. The Community Foundation of Loudoun and Northern Fauquier Counties ensures your charitable investment is economical and worry free. You benefit from prudent fund management and the generous tax advantages associated with giving through a Community Foundation. And finally, you’ll enjoy working with a committed staff with a deep knowledge of the community and the charities in our area.

We handle administrative functions, evaluate charities, and stay in tune with changing community needs to support you and help you achieve your charitable vision.

“Establishing the Loudoun Chamber Foundation fund with the Community Foundation was exceptionally easy and efficient, and that allowed the Chamber to move quickly to start supporting our many deserving nonprofits operating here in our community.”

—Tony Howard, President & CEO
Loudoun County Chamber of Commerce

1. Define your charitable and financial objectives. Consider how you want your gift to be used, whether you want future family members involved, and how much involvement you personally want in making grant recommendations.

2. Choose a name for your fund. Many donors choose a family name, but you can use any name that is meaningful to you.

3. Determine which assets you will use in creating your fund. Gifts of cash, securities (publicly traded or closely held) or real estate can be accepted by the Community Foundation to set up a fund. Assets with a low-cost basis are often wise choices, since they offer maximum tax advantages: You pay no capital gains tax and receive a favorable income-tax deduction. You may also wish to review assets inside your retirement plan for possible charitable use. If you wish, we will work closely with your accountant and attorney to ensure your charitable wishes are clearly understood and applied.

4. Consider the type of fund that matches your charitable interests. Our staff will help you identify what type of fund fits your vision! It may help, though, to understand how broad and flexible we can be as a giving vehicle with our array of donor crafted funds.

5. Make your gift to the Community Foundation. While your gifts to establish a fund will be commingled with other Community Foundation assets for maximal investment benefits, income and appreciation are specifically tracked and tied to your fund, benefitting your fund for its growth and charitable grantmaking.

6. Make a gift through your Will. Appropriate language to make sure your Will meets legal and tax criteria is available. Just ask!
Acorn Fund. Many of our philanthropists start a new fund by creating an Acorn fund, building to the endowed level of $10,000 over a five-year period. An initial gift of $2,000 or more is necessary to “seed” any of the funds below. And, many of our Acorn Funds build endowment while also doing immediate grantmaking.

Field of Interest Fund. This type of fund allows you to target an issue of need rather than a specific charity. The Community Foundation will make grants to those organizations most effectively serving the people and causes you want to help—the elderly, or hunger, or arts and cultural organizations, or education, or environment, for example. You define the “area of interest” and the Community Foundation takes it from there.

Donor Advised Fund. Donor advised funds closely mirror private family foundations, with significant advantages. A donor advised fund allows you to enjoy ongoing, even day-to-day involvement in the distribution of your gifts from your fund. You bring specific grant recommendations to the Community Foundation for consideration. Learn more on pages 4 and 5.

Designated Fund. You may name a specific charity to benefit from your gift, or, numerous specific charities to receive an annual grant. Should a designated organization cease to exist, the Community Foundation has the responsibility and authority to reallocate grants to another agency that most closely reflects your original vision.

Agency Fund. Charities often wish to create long-term endowments that will benefit their mission and purpose. The Community Foundation provides an excellent vehicle to ensure endowment gifts are carefully and diversely invested and managed.

Scholarship Fund. You may choose to dedicate a fund’s purpose entirely to helping students study and advance their education. The Community Foundation works with community volunteers to interview students and make award recommendations, or, can work with you to form your own selection committee.

Giving Circle Fund. Many of our Funds are created by a collective vision of multiple donors, each who tithe into a “giving circle”, and then, together, make grant recommendations. Giving Circles are a fantastic way to learn more about your local community and its charities, and increase impact as each grant is amplified in size.

General Fund. A gift to establish a General fund helps meet the changing needs of your community, now and in the future. General funds broadly support the well-being and vitality of the region and its residents and are distributed to qualified charities seeking support through the Community Foundation’s responsive grantmaking programs.

When you establish a General fund, you leave decisions about the use of your gift to the Community Foundation, trusting the Community Foundation’s knowledge and reach within the community to determine what needs are most pressing.

From here on, your charitable vision is nearly worry-free. The Community Foundation takes care of government filings, grant paperwork, auditing and accounting. Most importantly, you will have joined with others who have created a personal legacy that is true philanthropy.

To get started, contact Executive Director Amy Owen at (703) 779-3505 or (540) 687-5223 or via email at amy@CommunityFoundationLF.org.

Corporate Advised Funds. Corporations are often overwhelmed with requests for charitable gifts. Many corporations across America look to their local Community Foundation for a simplified, focused giving program, administered by Community Foundation staff. A corporation can establish a corporate advised fund applying personalized guidelines for grant making. Or, it may elect to give the Community Foundation full discretion over disbursements.

Transferring a Private Foundation or Trust Fund. A private foundation can be a great vehicle for charitable giving, but sometimes the process of managing the foundation’s legal affairs can diminish the joy of giving or become a burden to maintain. Existing private foundations or charitable trust funds can be easily rolled over to a named endowment fund within the Community Foundation, greatly reducing administrative overhead, while maintaining key elements of donor involvement and long-term, legacy vision. The disadvantages of private foundations or trusts—excise fees, administrative fees, lesser tax benefits, and due diligence administration—cause many to seek a more flexible alternative in the Community Foundation.
Deciding how to best implement your legacy philanthropy is an important decision. You should weigh issues of responsibility, control, flexibility, and cost.

Some F.A.Q.s about Creating a Donor Advised Fund

Can I make a grant outside of Loudoun and Fauquier Counties?
Yes. Please be sure to give us ample time to perform due diligence on charities new to the Community Foundation.

Can I give to my church or children’s school?
Yes. Places of worship and education institutions are charitable. So are grants that lessen the burden of government through poverty abatement and community improvement.

Can I recommend grants and be anonymous to the public?
Yes, absolutely. The Community Foundation will protect the anonymity of its donors. Please be sure to let us know of your wishes.

Can I recommend grants in memory or in honor of someone?
Yes. Include this information with your grant recommendation.

Can I make a grant to a charity whose board on which I serve?
Yes, as long as you do not pledge such a grant in advance of our very quick Board approval or receive personal benefit from the grant.

Can I fulfill a pledge to give to a charity?
No. Laws prohibit membership, pledges, sponsorships, tickets or other gifts that provide a personal benefit to your or your family.

Can I recommend multi-year grants?
Yes. The Community Foundation will consider such requests. But, don’t overextend your fund’s resources.

Can staff help me with ideas and research on area charities?
Yes. Our day-to-day work includes helping you learn as much as you wish about our community and its charities. We can help you in a number of ways. Please call us.

When and how much can I add to my donor advised fund?
Unless your fund is set up otherwise, you or anyone may add any amount at any time, including gifts of stock, real estate, insurance, and other forms of giving.

May I recommend grants from both income and principal of my fund?
As long as your fund agreement does not expressly prohibit expenditure of principal, you may make grants from both.

Is there a limit to how many grants I can recommend in a year?
No. However, a minimum grant of $100 is strongly suggested.

There is so much more we’d like you to know.
Please contact us, today.
Social Impact Institute
Investing in community works best when tackled from as many diverse positions as possible. Seeded by one of our funds, 100 WomenStrong, the Social Impact Institute is a “deeper dive” training program tailored to the individual strengths and weaknesses of our local nonprofit staff and volunteers. In 2015, we offered Leadership Development through personalized executive coaching and group cohort sessions over a 12-month period led by professional Leigh Shields. Graduates of the 2015 program include Jennifer Montgomery serving Loudoun Interfaith Relief, Nicole Acosta serving Loudoun Abused Womens Shelter (LAWS), and Leslie Mazeska serving Loudoun Literacy Counsel.

Give Choose
Twenty-four hours of community giving can result in big things when we work together as community philanthropists. Give Choose, held in May of each year, generated $136,000 from the generosity of 900 donors from Loudoun and Fauquier Counties and all over the U.S. in 2015.

In addition to hosting the event, we offer training on fundraising and social media communications for any interested charity. It’s all part of our mission.

Give Choose Sponsors 2015
Forward Turn Youth Grantmakers

Supported by the S. Murray Rust and Mary H.C. Rust Student Philanthropy Project endowment fund, Forward Turn entrusts area high-school teens with the role as local grantmakers. Participants take part in learning how to write grant proposals as well as analyze proposals submitted by local groups. In 2015, our Forward Turn grantmakers partnered with Loudoun County Parks Recreation and Community Services and its Youth Advisory Council.

We know we can help these teens strengthen their knowledge and commitment to charity and philanthropy as they become adults. Programs like Forward Turn have been shown to more than quadruple volunteerism rates, double giving rates, and prepare our youth to be active community philanthropists.

Loudoun Impact Fund

Giving Circles such as the Loudoun Impact Fund provide an increasingly popular means to easily involve citizens as grantmakers. In partnership with our sister community foundation, Community Foundation for Northern Virginia, the Loudoun Impact Fund collects gifts of $1,000 from individuals and $5,000 from businesses to build a pool of grantmaking funds. Each participating member helped to decide the focus of $64,500 in community grants to benefit local groups serving our elders and our youth.

Nonprofit Academy

Together, the Community Foundation for Loudoun and Northern Fauquier Counties along with partners Loudoun Cares and the Loudoun Chamber of Commerce undertake a certificate-series and learning program designed just for the staff and volunteer leaders of our local nonprofit organizations. The program in 2015 was very well received with sessions such as Tax Reform and Quickbooks Tutorial; Leadership Development; Communicating Your Case Through Values Based Outreach; Board Development and Fundraising; and Grantwriting and Research.

Social Profit Initiative

In partnership with the Washington Association of Regional Grantmakers, the Community Foundation has gathered together a unique team representing local businesses, philanthropists, nonprofit staff, faith-based representatives, educators, and government agency staff to form a Steering Committee of thought-leaders. Our goal? To identify voids in our community’s social profit sector and seek partnerships and solutions to tackle them. It’s a community conversation of purpose that will guide the Community Foundation in future work and partnerships.
Mitchell & Co., P.C. Certified Public Accountants, issued an unqualified opinion on our financial review ended December 31, 2015. For a full copy, please contact us at (703) 779-3505 or (540) 687-5223 or Amy@CommunityFoundationLF.org.

The Community Foundation ended the year with kudos as a Loudoun Chamber of Commerce finalist for the Nonprofit of the Year.

Golf and Philanthropy benefitting the Community Foundation, this special Skills Challenge was great fun and included winner Elaine Burden.

100 WomenStrong’s annual donor and grantees reception.
As kids, the Herbert children saw both Mom and Dad always active as volunteers and leaders throughout the community, working to make a difference. As they became adults, Jim and Betty’s children wanted to create an endowed legacy to honor their parents love and service to the community, especially while they were both alive to share in the process and see the benefits.

Each of the five siblings saw the ease and effectiveness of creating an enduring donor advised fund with the Community Foundation for Loudoun and Northern Fauquier Counties. Each sibling made a contribution to get the fund “seeded,” along with gifts from Mom and Dad. A beloved Aunt tithed in, too.

The Herbert family is deeply rewarded each year when grants are distributed to causes they all care about. Seeing Mom and Dad receive such joy that these charitable grants offer, made in their honor, doubles the satisfaction.

Family members continue to make contributions into the fund, no matter where they live. And, at the passing of Jim Herbert at age 95 in 2013, scores of friends and family paid tribute to his life and all of his accomplishments with memorial gifts into the Jim and Betty Herbert Family Fund.
