REPORT TO THE COMMUNITY

TRUST IN COMMUNITY

DEAREST READER,

A contemporary American leader once quipped that, “change comes at the speed of trust.”

It’s a fact.

With your trust, the Community Foundation for Loudoun and Northern Fauquier Counties grew steadily in 2017 by fostering a community of involved grantmakers, promoting strategic local leadership opportunities, and investing in valuable partnerships.

In 2017, we granted out almost \$1 million in charitable funding that enabled good works in our local community. Not resting on that success, we are actively planning for the future by working to increase almost 50 funds dedicated to meeting the needs of our community for generations to come.

You can trust that we are more than just grantmakers. Our successful community leadership programs demonstrate our shared investment in the people and organizations that drive positive outcomes needed here at home.

We are very proud that the Loudoun Chamber of Commerce named the Community Foundation as 2017 Nonprofit of the Year—an honor our staff, volunteers, and Board leaders recognized as indicative of more than just support and approval, but also of trust.

We are honored to be recognized as a solid, steady, and valued community partner, ready to provide a wide variety of high-touch services to Loudoun and Northern Fauquier. From memorial funds, to donor advised funds, to scholarship funds, we offer financial and community investment solutions for our legacy donors. And, because of our varied partnerships within our community, we serve as dedicated cheerleaders of the nonprofit sector and advocates of increased knowledge for our donors.

This 2017 Report to the Community is one way of demonstrating the impact of our donors and extending our thanks to you for your trust.

We appreciate the trust you place in our work to help make this community the place in which to grow up and grow old. That trust, and a passion for excellence fuels, our work. Your support inspires us to say it over and over again: Thank you.

CREATING A PERSONAL LEGACY

THIS IS ABOUT YOU

Your fund is a reflection of your values and philanthropy. From animal welfare, to human services and health, to youth and elderly, to specific charities you support, we can make it easy and rewarding. **Are you thinking about setting up a charity or foundation? Talk to us first.** We can help you understand the current nonprofit sector. And, we may serve as an excellent vehicle for your vision. We will work with you to answer the following questions to help determine when starting a Fund or Foundation with us is the right path.

DEFINE YOUR CHARITABLE AND FINANCIAL OBJECTIVES.

Consider how you want your gift to be used, whether you want future family members involved, and how much involvement you personally want in making grant recommendations.

CHOOSE A NAME FOR YOUR FUND.

Many donors choose a family name, but you can use any name that is meaningful to you.

DETERMINE WHICH ASSETS YOU WILL USE TO CREATE YOUR FUND.

Gifts of cash, securities (publicly traded or closely held) or real estate can be accepted by the Community Foundation to set up a fund. Assets with a low-cost basis are often wise choices, since they offer maximum tax advantages: You pay no capital gains tax and receive a favorable income-tax deduction. You may also wish to review assets inside your retirement plan for possible charitable use. If you wish, we will work closely with your accountant and attorney to ensure your charitable wishes are clearly understood and applied.

CONSIDER THE TYPE OF FUND THAT MATCHES YOUR INTERESTS.

Our staff will help you identify what type of fund fits your vision! It may help, though, to understand how broad and flexible we can be as a giving vehicle with our array of donor crafted funds.

MAKE YOUR GIFT TO THE COMMUNITY FOUNDATION.

While your gifts to establish a fund will be commingled with other Community Foundation assets for maximum investment benefits, income and appreciation are specifically tracked and tied to your fund, benefiting your fund for its growth and charitable grantmaking.

MAKE A GIFT THROUGH YOUR WILL.

Appropriate language to make sure your will meets legal and tax criteria is available. Just ask!

ACORN FUND

Many of our philanthropists start a new fund by creating an acorn fund, building to the endowed level of \$10,000 over a 5-year period (\$25,000 for scholarship funds). An initial gift of \$2,000 (\$5,000 for scholarship funds) or more is necessary to “seed” any of the funds below. And, many of our acorn funds build endowment while also granting funds immediately.

FIELD OF INTEREST FUND

This type of fund allows you to target an issue of need, rather than a specific charity. Grants are made to organizations that meet a cause or specific need. You define the “area of interest,” and grantmaking follows.

DONOR ADVISED FUND

Donor advised funds closely mirror private family foundations, but they offer significant advantages. A donor advised fund allows you to enjoy ongoing, even day-to-day, involvement in the distribution of your gifts from your fund. You bring specific grant recommendations to the Community Foundation for consideration. Learn more on pages 8 and 9.

DESIGNATED FUND

You may name a specific charity to benefit from your gift or numerous specific charities to receive an annual grant. Should a designated organization cease to exist, the Community Foundation has the responsibility and authority to reallocate grants to another agency that most closely reflects your original vision.

AGENCY FUND

Charities often wish to create long-term endowments to benefit their mission and purpose. The Community Foundation provides an excellent vehicle to ensure endowment gifts are carefully and diversely invested and managed.

SCHOLARSHIP FUND

You may choose to dedicate a fund’s purpose entirely to helping students study and advance their education. The Community Foundation works with community volunteers to interview students and make award recommendations or we can work with you to form your own Board-approved selection committee.

GIVING CIRCLE FUND

Many of our funds are created by a collective vision of multiple donors, who each tithe into a “giving circle,” and then, together, make grant recommendations. Giving circles are a fantastic way to learn more about your local community and its charities and increase impact as each grant is amplified in size.

GENERAL FUND

A gift to establish a general or unrestricted fund helps meet the changing needs of your community, now and in the future. General funds broadly support the wellbeing and vitality of our community.

When you establish a general fund, you leave decisions about the use of your gift to the Community Foundation, trusting the Community Foundation’s knowledge and reach to determine what needs are most pressing.

SHELL FUND

The Community Foundation is available to work with you and your financial advisors to set up what we call a “shell agreement.” A shell agreement is a nonbinding agreement that specifies how your planned gift shall be used once it is irrevocably received through your will or other planned-gift instrument.

In the shell agreement, you name your fund, outline your charitable vision, and decide whether donor advisors or the Community Foundation Board of Directors will recommend future grants. Gifts received from your planned gift will be placed into your fund exactly as you have named and designed it. We handle all future administrative details. When you create a planned gift using a shell agreement, revisions are easy, quick, and free. Just get in touch with representatives at the Community Foundation for Loudoun and Northern Fauquier Counties.

CORPORATE ADVISED FUNDS

Corporations often are overwhelmed with requests for charitable gifts. Many corporations across America look to their local Community Foundation for a simplified, focused giving program, administered by Community Foundation staff. A corporation can establish a corporate advised fund applying personalized guidelines for grantmaking. Or, it may elect to give the Community Foundation full discretion over disbursements.

TRANSFERRING A PRIVATE FOUNDATION OR TRUST FUND

A private foundation can be a great vehicle for charitable giving, but sometimes the process of managing the foundation’s legal affairs can diminish the joy of giving or become a burden to maintain. Existing private foundations or charitable trust funds can be easily rolled over to a named endowment fund within the Community Foundation, greatly reducing administrative overhead, while maintaining key elements of donor involvement and long-term, legacy vision. The disadvantages of private foundations or trusts—excise fees, administrative fees, lesser tax benefits, and due diligence administration—cause many to seek a more flexible alternative through the Community Foundation.

To get started, contact President Amy Owen at (703) 779-3505 or via email at Amy@CommunityFoundationLF.org.

Since 1999, the Community Foundation for Loudoun and Northern Fauquier Counties has helped generous donors support a variety of charitable causes in our region. We salute the leaders who wrapped their vision and commitment—and arms—around this community to create and sustain a permanent charitable resource.

TRUST IN THE WORK WE DO

More than just grantmakers, our call to action is to create partnerships that help build the strength and quality of life in our community. We take on leadership challenges that help to make our community one that we all want to grow up and grow old in.

GIVE CHOOSE

For 24 hours, residents show their appreciation for the work done by dozens of local nonprofits in Give Choose. Designed as an online charitable giving event, donors choose a charity of their choice and make a gift. In 2017, Give Choose and the charities that participated raised \$222,000 for their causes—including \$15,000 in prizes awarded throughout the event made possible by our Annual Sponsors.

SOCIAL IMPACT INSTITUTE

When you invest in the skills, capacity, and competency of staff, the organization benefits. That's the vision of the Community Foundation's Social Impact Institute by offering personalized training for local nonprofit executives. In 2017, the program offered leadership development through executive coaching and an overnight executive directors' retreat

LEADERSHIP AWARDS

The Loudoun Chamber of Commerce recognizes outstanding leaders in our community. Each is invited to name a local charity of choice to receive a \$1,000 grant from the Community Foundation.

1. Tony Howard, specially recognized for the Loudoun Chamber's recognition of the economic impact of nonprofit organizations. He dedicated his grant to the Loudoun Chamber Foundation.
2. Pam Jones, Executive Leader of the Year, dedicated her grant to Oatlands.
3. Palmercare Chiropractic, Small Business Leader of the Year, named Loudoun YMCA.
4. Chauvon McFadden, Young Executive Leader of the Year, named Operation Uplift.
5. Lynn Tadlock, Nonprofit Executive of the Year, named Loudoun Abused Women's Shelter (LAWS).

Rust Student Philanthropy Project, participants from the Loudoun County Youth Advisory Council join us for this annual program empowering youth to read grants submitted, interview finalists, and make tough grant choices faced by every philanthropist.

PHILANTHROPY SUMMIT

Convening our community around issues brings together grantmakers, philanthropists, government, nonprofit organizations, and businesses. Our 2017 program featured discussions on mental health, drug courts, substance abuse, affordable housing, childcare, and, as led by partner Washington Regional Association of Grantmakers, "Putting Racism on the Table."

NONPROFIT ACADEMY

In partnership with the Loudoun Chamber of Commerce, the Community Foundation coordinates a series of workshops to benefit local nonprofit leaders and executives to build knowledge in human resources and finance, outreach and marketing, and fundraising.

FACES OF LOUDOUN

It is difficult to reconcile the lackluster charitable giving in Loudoun County with the beauty and quality of life in our community. And, yet, gifts to charity are far below national averages and those of our surrounding counties.

Two studies conducted by the *Chronicle of Philanthropy* have illustrated the uninspired charitable giving levels in Loudoun County. Neighboring counties give at rates substantially higher (benchmarked by the national average of 3.0%) with Fairfax County at 2.6%, Fauquier 3.2%, and Jefferson at 2.5%, leaving Loudoun with an estimated \$1million shortfall in local charitable resources and a 1.9% giving rate.

The Faces of Loudoun introduces you to your neighbors in need through a personalized campaign that features real people. From hunger, to mental health struggles, to health, to domestic abuse—it is important to recognize we do have need. And, the charities that serve, aid, and educate depend upon local philanthropy to sustain their missions.

We hope you'll learn more by visiting the dozens of stories featured at FacesofLoudoun.org and our Facebook page @EndtheNeed. You'll meet many faces there, featuring leaders, volunteers, and those facing life's challenges.

A traveling display showcases stories of our neighbors, moving around the County, including Gum Springs Library, StoneSprings Hospital, Rust Library, Loudoun Chamber of Commerce, Loudoun County Government, and Northern Virginia Community College Loudoun campus.

Presentations about the Faces community-service campaign and Loudoun County charitable giving have been made around the county to help increase awareness, including at a March 1, 2017 kick-off program hosted by Northern Virginia Community College.

LOUDOUN CHAMBER'S 2017 NONPROFIT OF THE YEAR

"My wife, Jennifer, and I have chosen to work with the Community Foundation for Loudoun and Northern Fauquier Counties as we believe charitable giving has to begin at home. It is difficult to fathom all of the needs in our own backyard, and the CFLNFC provides the organization and support to reach the many deserving people in our region. The 2017 Nonprofit of the Year Award is well deserved."

—Dr. Bill Tyrell
DVM, Cardiology, *The LifeCentre*

"The Community Foundation has become the voice for many nonprofits. It was clear to me that the CFLNFC was selected for the 2017 Nonprofit of the Year award from the Loudoun Chamber because of its staff and board leadership, passion, and dedication to Loudoun's nonprofits."

—Judith A. Hanley, Ph.D.
