Dearest Reader,

If there was *one* single need in our community that you and you alone could solve, what would it be? Questions like this are part of our chemistry. When we work with our fund holders, we ask, “What is *your* common good?” When we shape the Community Foundation for Loudoun and Northern Fauquier programs we ask, “What will build our *community’s* common good?”

Our 2021 **Philanthropy Summit** took a hard look at racial equity, diversity, and inclusion in the spaces of education, housing, and the workplace. With our community sharing such remarkable diversity, a vision to explore knowledge, actionable steps, and conversation helped to build common good.

The Nonprofit Academy continued as a pipeline of knowledge through our collaborative efforts with the Loudoun Chamber of Commerce. Since 2014, we’ve been offering quarterly workshops on best practices designed for nonprofit staff and volunteers. Leaders joined us for a session on “Creating A Major Gifts Program” or to get some ideas for “Asking for Money in Person.” Actionable ideas were presented to increase understanding of “A Board’s Role in Fundraising.” And, it was an important year to offer tips on “Managing Nonprofit Burnout.”

Sessions helping our community talk about race and racism through our workshop, The Onion Dialogues, continued as part of our **Racial Equity Framework**. Our hope is to open up conversations of justice, kindness, empathy, connection, and understanding for the common good.

In partnership with the Loudoun County Parks Recreation and Community Services’ Youth Advisory Council, **Forward Turn** gave local high-school students the opportunity to be grantmakers. Teen participants studied proposals (many written by fellow high-school students), interviewed applicants, and made hard recommendations of what to grant, and, what not to grant.

Give Choose, our community’s largest day of giving, continued to be an annual fundraising engine with and for our local Loudoun and Northern Fauquier nonprofits in mind. It is a high-impact event to grow community giving for the common good.

Lastly, our deeper dive learning opportunities were offered in our **Social Impact Institute** through seminar-series programming for nonprofit staff in conflict management and supervision style, our Board Chairs’ Roundtable, and a full-day training on grantwriting and grantor research showcasing our newly added **Candid/Foundation Directory Online**.

With you ... for you ... because of you ... common good equaled \$1.8 million in **grantmaking**, increased **connection among partners** in our community, and **invested in our** nonprofit leaders.

Thanks to you, together, we built common good.

Ways to Give

Our goal is to be a broad, flexible philanthropic vehicle to serve you and our community. We grow community giving through these many options...

Donate Stock

A gift of stock is a savvy philanthropic opportunity. Reduce appreciated assets and capital gains while supporting causes matching your personal vision. To make a gift of stock, we'll provide you with transfer information. Get in touch with Amy Owen, Amy@CommunityFoundationLF.org or call (703) 779-3505 X1.

Check

Checks should be made out to “Community Foundation LNFC”. In the memo area, name the fund you wish to support or enclose a note. Checks may be mailed to one of two addresses: PO Box 342, Leesburg, VA 20178 or PO Box 402, Middleburg, VA 20118.

Credit Card

We specialize in offering an online giving portal for all of our funds (a great way to philanthropically celebrate birthdays and other gift events). Just visit CommunityFoundationLF.org and choose “Give Now” to see the inspiring lineup and variety of our funds—it’s easy to search for a specific fund, too.

Donate Crypto

The Community Foundation accepts gifts of cryptocurrency through The Giving Block. We quickly liquidate your gift, putting your generosity to work right away. Reach out to Amy Owen, Amy@communityfoundationlf.org, to let us know of your wishes for your gift, such as establishing a new fund, adding to an existing fund, or any other purposes.

Charitable IRA Rollover

Based on your age, a gift from your IRA directly from your plan trustee or administrator can be a wonderful option to add to qualified fund within the Community Foundation. Talk with us before executing your gift by reaching out to Amy Owen, Amy@CommunityFoundationLF.org or call (703) 779-3505 X1.

Leave a Legacy

From gifts of closely held stock, to appreciated assets, to real estate, life insurance policies, charitable remainder trusts, and gift annuities—talk with us to discuss the legacy you want to leave behind and the best mechanisms to realize your vision by reaching out to Amy Owen, Amy@CommunityFoundationLF.org or call (703) 779-3505 X1. We specialize in working closely with your personal estate and financial advisors.

Bank Transfer

A wire transfer is easily set up to land safely into our accounting systems. Get in touch with Amy Owen, Amy@CommunityFoundationLF.org or call (703) 779-3505 X1.

Creating a Personal Legacy

This is About You

Your fund is a reflection of your values and philanthropy. From animal welfare, to human services and health, to youth and elderly, to specific charities you support, we can make it easy and rewarding. **Are you thinking about setting up a charity or foundation? Talk to us first.** We can help you understand the current nonprofit sector. And, we may serve as an excellent vehicle for your vision. We will work with you to answer the following questions to help determine when starting a fund or foundation with us is the right path.

Define Your Charitable and Financial Objectives

Consider how you want your gift to be used, whether you want future family members involved, and how much involvement you personally want in making grant recommendations.

Choose a Name For Your Fund

Many donors choose a family name, but you can use any name that is meaningful to you.

Determine Which Assets You Will Use to Create Your Fund

Gifts of cash, securities (publicly traded or closely held), or real estate can be accepted by the Community Foundation to set up a fund. Assets with a low-cost basis are often wise choices, since they offer maximum tax advantages: You pay no capital gains tax and receive a favorable income-tax deduction. You may also wish to review assets inside your retirement plan for possible charitable use. If you wish, we will work closely with your accountant and attorney to ensure your charitable wishes are clearly understood and applied.

Consider the Type of Fund that Matches Your Interests

Our staff will help you identify what type of fund fits your vision! It may help, though, to understand how broad and flexible we can be as a giving vehicle with our array of donor-crafted funds.

Make Your Gift to the Community Foundation

While your gifts to establish a fund will be commingled

with other Community Foundation assets for maximum investment benefits, income and appreciation are specifically tracked and tied to your fund, benefiting your fund for its growth and charitable grantmaking.

Make a Gift Through Your Will

Appropriate language to make sure your will meets legal and tax criteria is available. Just ask!

Acorn Fund

Many of our philanthropists start a new fund by creating an acorn fund, building to the endowed level of \$10,000 over a 5-year period (\$25,000 for scholarship funds). An initial gift of \$2,000 (\$5,000 for scholarship funds) or more is necessary to “seed” any of the funds below. And, many of our acorn funds build endowment while also granting funds immediately.

Field of Interest Fund

This type of fund allows you to target an issue of need rather than a specific charity. Grants are made to organizations that meet a cause or specific need. You define the “area of interest,” and grantmaking follows.

Donor Advised Fund

Donor advised funds closely mirror private family foundations, but they offer significant advantages. A donor advised fund allows you to enjoy ongoing, even day-to-day, involvement in the distribution of your gifts from your fund. You bring specific grant recommendations to the Community Foundation for consideration. Learn more on page 10.

Designated Fund

You may name a specific charity to benefit from your fund or numerous specific charities to receive annual grants. Should a designated organization cease to exist, the Community Foundation has the responsibility and authority to reallocate grants to another agency that most closely reflects your original vision.

Agency Fund

Charities often wish to create long-term endowments to benefit their mission and purpose. The Community Foundation provides an excellent vehicle to ensure endowment gifts are carefully and diversely invested and managed.

Scholarship Fund

You may choose to dedicate a fund's purpose entirely to helping students study and advance their education. The Community Foundation works with community volunteers to interview students and make award recommendations, or we can work with you to form your own Board-approved selection committee.

Giving Circle Fund

Many of our funds are created by a collective vision of multiple donors, who each tithe into a "giving circle," and then, together, make grant recommendations. Giving circles are a fantastic way to learn more about your local community, its charities, and increase impact as each grant is amplified in size.

General Fund

A gift to establish a general or unrestricted fund helps meet the changing needs of your community—now and in the future. General funds broadly support the wellbeing and vitality of our community. When you establish a general fund, you leave decisions about the use of your gift to the Community Foundation, trusting the Community Foundation's knowledge and reach to determine what needs are most pressing.

Corporate Advised Funds

Corporations often are overwhelmed with requests for charitable gifts. Many corporations across America look to their local Community Foundation for a simplified, focused giving program, administered by Community Foundation staff. A corporation can establish a corporate advised

fund applying personalized guidelines for grantmaking. Or, it may elect to give the Community Foundation full discretion over disbursements.

Shell Fund—Planned Giving

The Community Foundation is available to work with you and your financial advisors to set up what we call a "shell agreement." A shell agreement is a nonbinding agreement that specifies how your planned gift shall be used once it is irrevocably received through your will or other planned-gift instrument.

In the shell agreement, you name your fund, outline your charitable vision, and decide whether donor advisors or the Community Foundation Board of Directors will recommend future grants. Gifts received from your planned gift will be placed into your fund exactly as you have named and designed it. We handle all future administrative details. When you create a planned gift using a shell agreement, revisions are easy, quick, and free. Just get in touch with us.

Transferring a Private Foundation or Trust Fund

A private foundation can be a great vehicle for charitable giving, but sometimes the process of managing the foundation's legal affairs can diminish the joy of giving or become a burden to maintain. Existing private foundations or charitable trust funds can be easily rolled over to a named endowment fund within the Community Foundation, greatly reducing administrative overhead, while maintaining key elements of donor involvement and long-term, legacy vision. The disadvantages of private foundations or trusts—excise fees, administrative fees, lesser tax benefits, and due diligence administration—cause many to seek a more flexible alternative through the Community Foundation.

**Money Talks.
Now, Teach it
to Hug.**

Since 1999, the Community Foundation for Loudoun and Northern Fauquier Counties has helped generous donors support a variety of charitable causes in our region. We salute the leaders who wrapped their vision and commitment—and arms—around this community to create and sustain a permanent charitable resource.

From memorial funds, to scholarships funds, to donor advised funds, we can help you make a difference that never ends.

How would you honor and pay tribute to someone you love—and have lost?

Tina and Andy Johnson saw creating a permanent legacy with the Community Foundation as a heartwarming and rewarding way to memorialize Tina's brother, Breeze.

The **Breeze Makenzie Foundation** fund is a family-based donor advised fund established for Loudoun's own Breeze Makenzie, who passed away unexpectedly on August 8, 2015, at the young age of 50.

Breeze grew up in western Loudoun County and was a graduate of Loudoun Valley High School. He attended Charles S. Monroe's auto mechanics program and spent 18 years driving an 18-wheeler big rig across the U.S. After retiring from the road, he focused his attention on providing roadside services for stranded truck drivers.

Breeze Makenzie

Tina and Andy Johnson

"He had a huge heart and giving soul. He was known for literally giving the shirt off of his back," shared his sister, Tina. "His big personality and energetic spirit will be truly missed."

His spirit, giving nature, and legacy live on through the **Breeze Makenzie Foundation**.
