Who We Are

Community Foundation for Loudoun and Northern Fauquier Counties

The Community Foundation for Loudoun and Northern Fauquier Counties brings together people who care about their community by building everlasting grantmaking endowment—**fund by fund, donor by donor.**

Our mission is to grow community giving by fostering a community of **grantmakers**, promoting strategic local **leadership**, and investing in **partnerships** for the benefit of the community of Loudoun and Northern Fauquier.

Our work involves much more than serving as grantmakers and working with caring donors. We serve as capacity builders, conveners, and thought leaders. We build networks and maintain partnerships to achieve our vision for a better community. Our corporate sponsors are integral partners in our work.

The generosity and commitment of our donors and sponsors during the past 23 years has made possible the re-investment of more than \$13 million into our community to address needs and create solutions. As we embark on the 24th year of serving our community, we invite you to join our work as a partner and investor.

*Community is not the Beneficiary . . .
Community is the Solution.*

Why Be An Annual Sponsor?

Sponsorship is a high-impact form of marketing.

Join the community of philanthropically-minded businesses and increase your company's visibility and brand recognition through our community-wide work.

Corporate sponsorship gives you the opportunity to broaden your competitive advantage by increasing your credibility, image, and prestige.

Sponsorship offers the possibility of achieving several goals at once:

- **Enhance your image.** Strengthen how you are perceived by your target audience and shape buying attitudes that will touch the hearts and minds of your consumers.
- **Create positive publicity along with heightened visibility** and exposure in both electronic and print media.
- **Differentiate from your competitors** by taking advantage of the opportunity to stand out head and shoulders above the competition.
- **Showcase your business as supporting the community and contributing to its economic success** by being a good "Corporate Citizen" through our high-profile, year-long programs.

Your local Community Foundation stands at the crossroad of great need and great wealth.

We invite you to stand with us.

Excellence. Accountability. Impact.™
